The Chickendog Full Size Hardcover \$52.98 Title: The Chickendog Author: Christine Feehan Publisher: New American Library Tags: Chickendog, Christine Feehan, New American Library This is the paperback version of the popular Chickendog series. The Chickendog, the third book in the series, follows the earlier novels, Tales of the Chickens, and Nights of the Chickens, which are set in the same fictional universe as the beloved Chickens-in-a-Blanket series by author Jayne Castle. In Chickendog, Diane, the heroine of a popular Chickens-in-a-Blanket series, is unexpectedly called to her alter ego, a beautiful and irresistible succubus. Diane, along with her five-year-old son, David, are summoned to the mansion of her enigmatic, but undeniably sexy, neighbor, Grant, to help him deal with a vexing problem: He is no longer able to pass on his immortal soul to his innocent young charge and has to be raised by Diane until he is old enough to find his own life mate. The problem is, he is desperately in love with Diane and he doesn't want to leave her. Diane knows that she is destined to die soon and she does not want to be separated from David, her son and companion throughout her mortal life. Grant, who had his soul stolen from him, doesn't know how to deal with the situation and begins acting strangely. The result is a complicated series of events that leads to the ultimate birth of the soulless monster, Vampyre. Vampyre is a magnificent, deliciously evil vampire. Born from Diane's blood, Vampyre is powerful beyond anything her mortal parents could have imagined, and Diane must learn to control him and use his great power to free the world from the evil of Vampyre and his group of "children of the night." Heating up the romance in this intensely sexy, action-packed new novel by Christian author and master storyteller, Christine Feehan, is a maddeningly irresistible sexy, vengeful vampire known only as the Chickendog. The Chickendog, the third book in the Chickens-in-a-Blanket series, follows the earlier novels, Tales of the Chickens and Nights of the Chickens, which are set e79caf774b
