Elder Scrolls Online HD Edition 2 free download ( pc) - Elder Scrolls.Puck Daddy Chris Tanev goes over the Toronto Maple Leafs' win against the Winnipeg Jets, which makes the Leafs three games in a row with a 5-4 win over the Jets. What's not to love? Your browser does not support iframes. The Hockey News Tanev speaks first, before Ericsson takes a turn at it. First of all, those are some tasty sausages. THN posted a three-part look at the teams that are in the thick of the playoff race and the ones that are struggling at the end of the season, and it really sums up the team's success last year as they were a 90-point team. But even that massive point total was just mediocre, which is probably why you don't see a ton of talk about the team's success last season. In their first season in the Eastern Conference, the Maple Leafs managed to go.500, which to this day is a pretty good accomplishment. But Leafs Nation is a small community, and a.500 season would have been a pleasant surprise last season. Toronto was a little lucky against the Predators and Panthers, and had an ugly road trip to finish off the year. But any way you look at it, they were capable of putting together a better season than they ended up with. The point is: we should get excited that the Leafs have the same core players, but we should also realize they'll likely get one less year with that core due to the cap ceiling. And losing John Tavares seems like a bad thing, even if we weren't expecting him to leave in the first place. What have the Leafs done to get him back? Not much, actually. Maybe there are a couple of sneaky deals down the line, but right now it looks like the Leafs will have the same team going into the next decade. There are a few additions in this offseason, a few solid moves that can pay off huge down the road. A healthy Andrew MacDonald is a huge
