14/09/2016 · Glorious Noise. What better name for the band I formed in 1991, for we have proved ourselves to be 'heroes' in the truest sense of the word. The album, "Chapter 3: Full Circle" is named after the middle chapter in the Book of Revelation, in which the final verses would be writ. Each verse represents a stage in our history, and the points at which we now stand to find ourselves either 'full circle' back to the situation we created or, alternatively, to find ourselves at the top of a cliff face in the mythical city of Babylon. Another song then 'reaches back' to a pivotal moment in the band's history, as a song we wrote with Simon 'Panther' Jones during the 'Bargain' days, is re-launched as 'The Beginning'. In it, our narrator speaks of an ultimate reality that we didn't see at the time, but which we now do see. The third song is 'The Truth', in which the 'new' band reflects on the new reality in which the members of the band and e79caf774b
